Municipality: \_\_\_\_\_

### Municipal Office Use Only

File #: \_\_\_\_\_

Date Received: \_\_\_\_\_

Date Sent to Planner: \_\_\_\_\_

Application Fee: \_\_\_\_\_

**Introduction:** The submission of an application to a municipality for a Minor Variance is provided for in Section 45 of the Planning Act. This form must be completed and submitted with the required fee prior to consideration by the municipal Council. The purpose of these guidelines is to assist persons in completing the application for a Minor Variance. Should you require clarification on any matter covered by this application form, please contact the local area's Municipal Office. A list of contact information can be found in Appendix A to this application form.

**Application Fees:** Each application must be accompanied by the applicable fee as established by the local Council. Please contact the appropriate Municipal Office to determine the applicable fee.

**Authorization:** If the applicant is not the owner of the subject property, a written statement by the owner must accompany the application, which authorizes the applicant to act on behalf of the owner as it relates to the application.

**Site Drawing:** All applications must be accompanied by an accurate, to scale drawing showing all of the information required in the checklist on page 8 of this application form.

**Supporting Information:** Additional information may be required by the municipality, local agencies, or provincial agencies in order to evaluate the proposed minor variance. This information is often a requirement of the Official Plan, Provincial policies and/or applicable regulations. The required information may include studies or reports to deal with such matters as environmental impacts, traffic, water supply, sewage disposal, and stormwater management.

In addition, the applicant may be required to submit a more detailed site plan, under site plan control, prepared by a qualified professional, showing the proposed development including all new buildings and structures, parking areas, landscaping, and other site information as required by the municipality.

Ontario Regulation 200/96 outlines the information required to be included in an application for minor variance.

**Application Processing:** Upon receipt of an application, the required fee and other information as may be required, the municipality will determine whether there is sufficient merit in processing the application further (ie. the circulation of notice and holding of at least one public meeting as required by the Planning Act).

Municipality:

---

Notice of any decision of Council concerning the application will be provided to the applicant.

Submission of an application does not guarantee approval. Application fees are non-refundable and will not be returned should the application not be approved.

Submission:

This application, including the completed form, required fee, and any required supporting information, must be submitted to the local municipal office. Submission to any other municipal office or directly to the TMSA will result in the application not being considered.

One hardcopy of the completed application form and all required supporting information must be submitted to the local municipal office. Electronic copies of all supporting information is also required and can be sent either by email or submitted on a USB key with the hardcopies of the application package.

Further Information:

For additional information, please contact the appropriate municipal office. Municipal contacts can be found in Appendix A to this application form.
